

**Smt. Kamala & Sri Venkappa M Agadi College of Engineering & Technology,
Laxmeshwar-582 116**

Cumulative Report on Co- curricular, Extra-curricular and Additional Value Adding Activities Conducted

Department: Electrical and Electronics Engineering

1. Hands-on Session on MS Office 365 was conducted on 14/02/19 by Mr. Aditya P & Mr. Harish M for 4th Semester Students at Digital Library.

2. Electrical Home Appliance Workshop was conducted for II year students on 15/02/2019 from 2.30 Pm to 5.30 pm. 30 students Participated actively

Resource Person: Prof Manjunath V

Supporting Staff: Mr Dasharath & Mr. Ravi Sadlapur

3. The presentation on NBA has given by Prof. Mallaiah B in the department on 23/02/2019.

4. Prof. Vishal Kulkarni Prepared and presented 2 papers in All India Seminar on Electric Vehicles- Prospects and Challenges at SDMCET on 2nd of March 2019 on paper titles

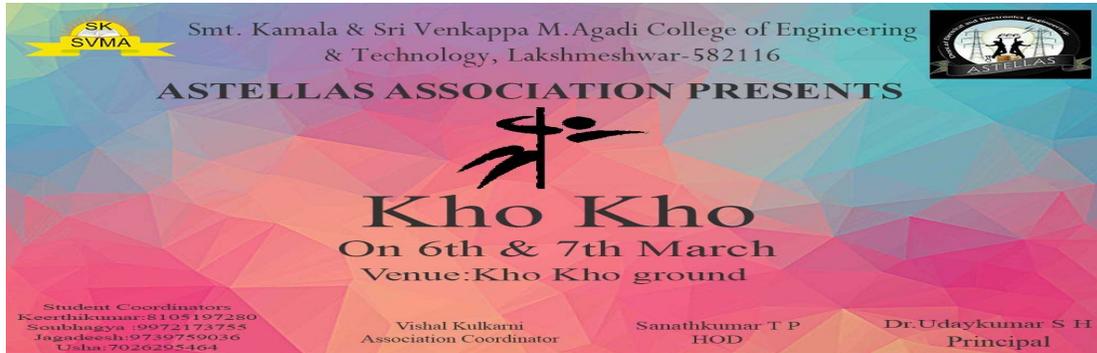

- a) 'Challenges towards Electric Vehicles Sustainability in Indian Context'.
- b) 'Contactless Power Transfer pickup for On-line Electric Vehicles'.

5. Kho-Kho inter branch final tournament was successfully completed on 18/03/2019.

Women Kho-Kho

Winner: EEE Students

Runner up: ISE students

6. Workshop on PCB designing for IV Semester students

Skill development team of E&E department organized workshop on PCB designing workshop for IV semester students on 22/03/2019. 28 students took part in workshop. Prof Nirosha H & Prof Iranna M organized the workshop.

Mr. Devendra P worked as technical staff.

Pre final year students of EEE were the resource persons.

SMT. KAMALA & SRI VENKAPPA M. AGADI COLLEGE OF ENGINEERING AND TECHNOLOGY, LAXMESHWAR - 582116

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING
In association with, *ASTELLAS & Skill Development & Entrepreneurship Cell*

Venue :
Electrical Department
Date :
22-03-2019

One Day Workshop on

PCB DESIGNING

Staff Coordinators : Prof. Nirosha H Prof. I N Makarabbi	Head of Department : Prof. Sanathkumar T P	Student Coordinators : Krishna D Pavan M Aradhana G Prasanna N Susan R Chaitra P Sindhu H Simrantaj Vishwanath C Mrutyunjay H
---	--	--

7. Workshop on PCB designing for BCN Polytechnic students

Skill development team of E&E department organized workshop on PCB designing workshop for BCN Polytechnic students on 26/03/2019. 18 students & 3 faculty members took part in the workshop. Prof Nirosha H & Prof Iranna M organized the workshop.

Mr. Devendra P worked as technical staff.

Pre final year students of EEE were the resource persons.

8. Organized Industrial Visit to NGEF Hubballi for 4th Semester Students

Skill development team of E&E department organized an **Industrial Visit to NGEF Hubballi for 4th Semester Students** on 29/03/2019. From the Department Prof Nirosha H & Prof Mallaiah B & Mr. Dasharath K organized the visit in association with ASTELLAS.

9. The Electrical & Electronics Engineering department Staff members and students of 6th semester conducted **House-hold Survey & Village Survey of GULGANJIKOPPA Village** as a part of Unnat Bharata Abhiyan (UBA) on 16th April 2019.

10.The Electrical & Electronics Engineering department conducted a technical event "BASE WARS" as a part of Melanze -2019 on 27th April 2019.

Staff Coordinator: Prof. Basavaraj Bankar.

Student Co-coordinators: 1) ANIL KUMA 2) VISHWANATH. H 3) V ANIL KUMAR 4) RAKESH B

Winner

Dharma Gouda and team
AGMRCET

Runners Up

Sagar M and team
SKSVMACET

11. The Electrical & Electronics Engineering department conducted a technical event "BRUSH YOUR BRAIN" as a part of Melanze -2019 on 27th April 2019.
Staff Co-ordinator: Prof. Raghavendra Shigli
Student Co-ordinators: 1) Adarsh 2) Sarfraz Khan 3) Supriya 4) Soumya R 5) Aishwarya 6) Rashmi

Winner

Dyavangouda & Jagadeesh

Runners Up

Sharada & Soumya

12.The Electrical & Electronics Engineering department conducted a technical event "R U SMART" as a part of Melanze -2019 on 27th April 2019.

Staff Co-ordinator: Prof. I.N.Makarabbi

Student coordinators: 1)Shaheen 2) Bhagyalaxmi.B 3) Anjum.M 4)Dawalbi.M
5) Rakshanda.K 6)Shweta 7)Tanuja.D 8)Girija 9)Poornima.P

1st Place:

1) Anil Rathod 2)Vachana 3)Mukta Tandur 4)Anjaneya

2nd Place:

1) Nihal nadaf 2)Arun 3)GuruKumar 4)Yashwant

13. The Electrical & Electronics Engineering department 40 final year students participated in IoT one week workshop completed on 30th April 2019.

14. The Electrical & Electronics Engineering department staff members actively participated in college promotional activities from 28th April to 30th April 2019.

15. EEE department 6th semester five students and one staff member participated in VTU Teqip 1.3 sponsored workshop from 3rd to 5th May 2019 was conducted at SKSVMACET Lakshmeshwar.

16. The Electrical & Electronics Engineering department organized an industrial to visit VTU's NASD Dandeli on 09/05/2019 for 6th semester students.

17.The Electrical & Electronics Engineering department conducted Mini Project Exhibition on 03.05.2019

11 mini projects demonstrated by 4th semester students.

18. Parents' meeting was conducted in the department on 13th May 2019.

1. Induction Program in the department for 1st semester students from 13/08/2018.

2. Department Association Inaugural Function was successfully completed on 16/08/2018. The chief guest for the function was Shri. Rajendra Kagodi Director of RUDSET Dharwad.

3. ASTELLAS Association Department of Electrical and Electronics organized a two days hands on session on “Introduction to Basic DRONE Building process and control system design” for final year students of SKSVMACET on 24th and 25th of August 2018

4. Games were conducted for staff members in the view of Teachers day celebration on 04/09/18.

5. All staff members were attended the Teachers Day function held at civil seminar hall on 05/09/18.

6. One day hands-on workshop for 3rd semester students on “Design of Electronics circuit using Multi sim Software” was conducted successfully by Prof. Sachin Patil on 06/09/18.

7. One day field visit to **2MW solar power plant** for 5th semester students have been organized on 14/09/2018.

8. Organized the Campus grid visit for 3rd semester students on 14/09/2018.

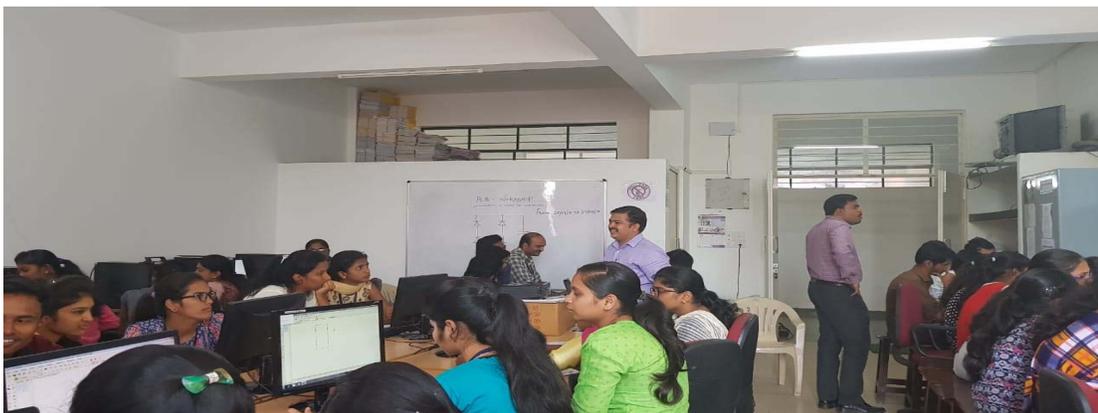

9. One day workshop organized by Prof. Iranna M on "Repair of domestic appliances" was successfully conducted on 22.09.2018.

10. Three days workshop on **PCB designing for microcontroller applications** was successfully conducted from 27/09/18 to 29/09/2018 for 5th semester students.

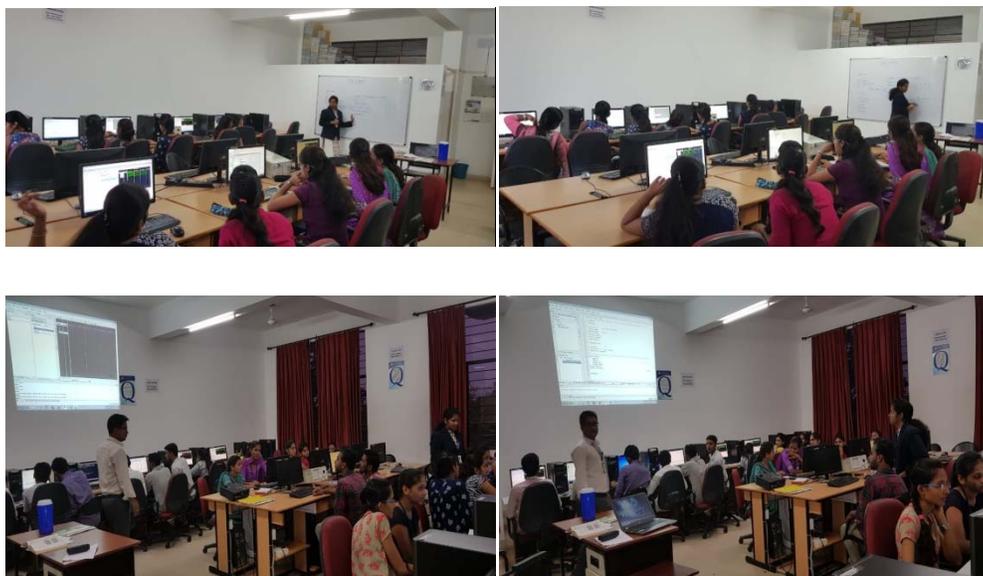

11. The domestic home wiring model has been demonstrated by Prof. Vishal Kulkarni on 01/10/2018.

12. An industrial visit to the 2MW solar power plant at Gonal has been successfully completed for 3rd semester students on 05/10/18.

13. Two days workshop on **Xilinx Software** was successfully conducted by Prof Nirosha H & Mr. Sanjeev Kulkarni for 3rd semester students from 11/10/18 to 12/10/2018 (after college hours 5pm to 7pm).

14. The 5th semester students have visited 110KV substation at Lakshmeshwar organized by Prof. Mallaiah B and Mr. Sanjeev Kulkarni on 29/10/2018.

15. Essay competition conducted in related with National Unity Day on 30/10/2018, Mr. Manjunath B, and Ms.Heenakousar & Jagadish M won the 1st, 2nd & 3rd Prize respectively in our department.
