Department of Computer Science and Engineering

NEWS LETTER

ACADEMIC YEAR 2019-20

HOD NOTE:

Dear friends, colleagues, and alumni: I am pleased to share some of the exciting news over the past few months in the Department of Computer Science and Engineering at SKSVMACET. It makes students to gain a comprehensive knowledge and understanding of subjects. It aims to inculcate values of basic knowledge of Engineering, science, computer, mathematical, techniques of communication skill & management which will imbibe the ability to apply the basic problem solving techniques.

With the motto - 'Nothing can we achieve without honest effort', Department of Computer Science and Engineering is offering our students good educational experience that combines intellectual rigor and cross-disciplinary breadth in an organized, student centered environment. Department of Computer Science and Engineering aims at training students in the areas of IT skills like Software Testing, Computer Network - Cloud Computing, Distributed Computing system, Wireless Networks and Mobile computing, Object Oriented Concepts – Java Programming, Python Application Programming, Embedded Systems, Artificial Intelligence, Machine Learning, Dot Net framework for application development, Data Mining and Data Warehousing, Big Data Analytics, Storage Area Networks, User Interface Design and Internet of Things. We provide opportunity for students to explore their interests in IOT, Image Processing, Android applications, Wireless Networking, Embedded systems, Robotics, Machine Learning applications. It is indeed my great pleasure that our department is publishing newsletter etching every aspect of activities and events held in academic session 2019-2020. The newsletter aims to bring into view about various proceeding, functions, happenings in all areas academic, non-academic, capacity building relevant to staff and students in the department. I congratulate the team who has taken initiative for producing this newsletter. Our department is marching towards in getting NBA (National Board of Accreditation). I am confident that this issue of Department News Letter will send a positive signal to the staff, students and the person who are interested in the Technical education and

Technology based activities. I congratulate the Editorial Board of this News Letter who have played wonderful role in accomplishing the task in Record time. Also, My heartfelt congratulations to staff members and Students for their fruitful effort.
With Best Wishes.

Mr. Vikram Shirol
Associate Professor and I/C Head of CSE

Department Coordinator Note:

Once more, it is my immense pleasure that I was given the opportunity to work on the odd semester edition of our department newsletter. We are extremely happy in releasing the half yearly newsletter, highlighting the activities of Computer Science and Engineering department between August 2019 and January 2020. In this edition, I have tried to capture last six months' excitements and activities of our department. I heartily congratulate the staff and students for their participations in various events like workshops, seminars, technical talks etc. I do hope that newsletter encourages many more including students to use it as a platform to express their creativity. I sincerely hope that this edition makes an interesting read. The success of this newsletter depends on your response. I would appreciate your feedback.

Mr. Nagaraj Telkar
Assistant Professor,
CSE Department

Vision of the Program

Facilitate conducive environment for quality education with research culture and sustainable development in the field of Computer Science and Engineering to meet societal needs

Mission of the Program

M-1. To impart knowledge on emerging technologies with emphasis on fundamentals of computer science and engineering through professional training.

M-2. To empower students to face rapid changes in technologies with leadership qualities through industrial collaboration and value added activities.

M-3. To develop professionals with individual growth, integrity, ethics and social responsibility through student centric learning environment.

M-4. To enable independent and creative thinking, research culture among students through internship and projects.

Programme Specific Outcomes (PSOs)

PSO-1: Ability to apply the core concepts of computer science and engineering to design, develop and validate computing systems.

PSO-2: Adopt modern programming languages, environments and platforms to create innovative solutions for given specifications to meet industrial needs.

Programme Education Objectives (PEOs)

PEO-1: Exhibit strong conceptual foundation in the core areas of Computer Science Engineering.

PEO-2: Inculcate life-long learning skills and professional ethics in computer science domain.

PEO-3: Engage in multidisciplinary projects with teamwork to solve societal needs.

PEO-4: Apply good analytical, design and implementation skills required to formulate and solving computational problems.

PEO-5: Develop their career as entrepreneurs or pursue higher education in engineering or management.

Students Association Activities

An association of the students from the Department of Computer Science and Engineering of SKSVMACET, formally known as 'FORTUNE' association is involved actively in organizing Workshops, Technical talks and Department Events in college. The following students were appointed for various posts of FORTUNE association.

1. Association Coordinator-Mrs. Rajeshwari S.G.
2. President- Mr. Abhijit Darekar
3. Vice President - Ms. Harshita Angadi
4. General Secretary - Mr. Gurusiddeshwar Hiremath
5. Joint Secretary-Ms. Spoorthi Sattenahalli
6. Treasurer-Mr. Gagandeep Policepatil
7. Joint Treasurer-Mr. Ashwin Karanth
8. Technical Coordinators-Mr. Sanket Nadiger, Mr. Manoj Arepalli, Mr. Prashanth Ganiger, Ms. Anusha, Ms. Sneha Korishettar
9. Cultural coordinators - Ms. Kruika Biradar, Ms. Annapoorna Y, Ms. Nayana Hosur, Mr. Abhishek A., Mr. Darshan Mandre, Ms. Bhoomika M.
10. Sports Coordinators - Ms. Kirhi Patil, Mr. Channabasava Huded
11. Documentation Coordinators – Mr. Abhishek Badiger, Mr. Karthik Unkal, Ms. Apeksha, Mr. Vishwanath
12. Executive Memebers-Ms. Tejaswini Badi, Mr. Mallikarjun Patil, Ms. Sridevi T. Ms. Sushma J., Ms. Priyanka J, Ms. Madhu Chakrasali

Events (01-08-2019 to 31-01-2020)

1. Association Reopening and Technical Talk

Department of Computer Science and Engineering in Association with Fortune organized Association Reopening for the academic Year 2019-20 on 24th August 2019 and on the same day conducted a Technical Talk on **"High Performance Computing and Artificial Intelligence"** by **Dr. Satyadyan Chickerur** Head, Center for High Performance Computing, K L E Technological University Hubballi.

7. Aptitude Test

Department of Computer Science and Engineering in Association with FORTUNE and SDEC organized Aptitude Test for 7th Semester Students as a part of placement activity.

Date: 23rd September, 2019

Student Coordinators: Suraj, Chaitra, Sahana, Akashgouda, Rohit

Staff Coordinator: Mr. Arun Kumbi

Aptitude Test for 7th Semester Students in CSE Department

8. Installation of Apache Tomcat Sever and its Configuration

Department of Computer Science and Engineering in Association with FORTUNE and SDEC organized a Session on Installation of Apache Tomcat Sever and its Configuration for 5th Semester students.

Date: 23rd September, 2019

Staff Coordinator: Mr. Nagaraj Telkar

Installation of Apache Tomcat Sever and it's Configuration for 5th Sem Students in System Software Lab.

9. Workshop on "Rapid Learning on C Programming"

Department of Computer Science and Engineering in Association with Fortune and SDEC organized Two Days Workshop on "Rapid Learning on C Programming" for First Semester Students. Totally 52 students from first year C division have participated in the workshop.

Date: 25th and 26th September, 2019

Student Coordinators: Ms. Sneha K, Ms. Sridevi, Mr. Manoj, Ms. Madhu P, Ms. Keerti

Resource Person: Mr. Sanket N, Mr. Naveen G, Ms. Spoorti, Ms. Tejaswini B(VII CSE Students)

Staff Coordinator: Mr. Jagadeesh Meti , Ms. Priyanka M

Workshop on "Rapid Learning on C Programming" for First Year C Division Students in Digital Library.

10. Orientation Program on "Future thoughts of Entrepreneurship"

Department of Computer Science and Engineering in Association with Fortune and SDEC organized Orientation Program on "Future Thoughts of Entrepreneurship" for Final and Pre-Final Year students of CSE/ISE/ECE/CIVIL/ MECH/EEE branch students. Around 150 students from all the branches have attended the program.

Date: 26th September, 2019

Resource Person: Shri. Chandrashekar H Angadi, Regional Director, Center for Entrepreneurship Development of Karnataka (CEDOK).

Orientation Program on "Future thoughts of Entrepreneurship" for Final and Pre-Final Year students in Civil Seminar Hall.

11. Ayudha Pooja-2019

Department of Computer Science and Engineering in association with FORTUNE organized Ayudha pooja – 2019. All staff members and students participated actively conducted few events for students.

On the occasion of Dasara and Ayudha Pooja Department of Computer Science and Engineering conducted Rangoli and Mehandi Competition for girls of all the branches. Totally 20 students participated in the event.

12. Technical Talk on "Cyber Security"

Department of Computer Science and Engineering in association with Fortune organized Technical Seminar on "Cyber Security" for students of 3rd, 5th and 7th Semesters.

Venue: Civil Seminar Hall

Date: 17.10.2019

Resource Persons

1. Mr. Mir Zaheer Abbas-

Center Manager,Cyber Security center of excellence,

Dept. of IT & BT, Govt. Of Karnataka

2. Mr. Vallabha Desai

Director of CyberPact solutions Pvt. Ltd.

3. Mr. Robinson Dsouza,

Cyber Security Expert and Founder of Cyber Sapiens United LLP

Technical Talk on "Cyber Security" for students of 3rd, 5th and 7th Semesters in Civil Seminar Hall.

13. Session on "Awareness of NPTEL Courses"

Department of Computer Science and Engineering in Association with Fortune and SDEC organized Hands on Session on "Awareness of NPTEL Courses" for 3rd Semester CSE Students.

Date: 18th October, 2019

Resource Person: Mr. Shrikanth Jogar

Session on "Awareness of NPTEL Courses" of 3rd Semesters CSE Students.

14. CODEFIESTA – National Level Hackathon Competition

Department of Computer Science and Engineering in Association with FORTUNE organized National Level Hackathon-24 hours coding event "CODEFIESTA " on 11th and 12th November 2019 specially for CSE, ISE, ECE and EEE branch students . Totally 124 students from various colleges participated in the event. The competition was mainly conducted for Web Development, Android App Development, Internet of Things. The event was inaugurated by **Mr. Manjunath Hiremath** Sr. Technical Manager Ionidea Interactive Pvt. Ltd, Hubballi

Staff Coordinators

Student Best Projects (ongoing projects)

1. **Project Title:** Wearable Sensor Network System for Health & Safety Application in Industrial Workplace
   Importance of Projects: Wearable sensor network system for Internet of Things connected safety and health applications. Safety and health is very important for industrial workplace, especially for workers constantly switching working environments between indoor and outdoor. To prevent workers from being exposed to any risky and hazardous situations some psychological parameters of workers should be monitored. In this project wearable IoT sensor network system for connected safety and health applications which is suitable for industrial workplace.
